

UP JUMPED THE RABBIT
The Georgia Pot Lickers

C

Up jumped the rabbit with a great big smile,

G7 C

A hound dog running on his mile,

His foot slipped and he said oh me,

G7 C

Oh right now the joke's on me.

Skeeter and the bumble bee playing Seven Ups,
Skeeter won the bumble bee for a friend to pick it up,
Went around the mountain and over the hill,
And the last we heard he's going still.

Old mister rabbit your eyes are mighty round,
Suggest by gosh I'm ahead of the hound,
I tell you what and you know it's true,
Old mister hound it's me and you.
