

Chicken in the Snowbank - From the fiddling of James Bryan

25 A

29 E7

33 2. A

Alabama fiddler James Bryan recorded this tune on his album called First of May, released by Rounder Records in 1986. Whether the tune is traditional or his own composition I don't know, but I would guess the latter.. The tune is structured ABAB, and there is an extra beat in the B part.
