Another tune from the great John Morgan Salyer (1882-1952) of Salyersville, in Magoffin County, Kentucky. Salyer was never recorded commercially, because he thought, accurately, that the record companies did not share enough of the profits with the musicians they recorded. We only have his music through a series of home recordings made on a portable disc machine in 1940 and 1941 by his sons Grover and Glenn Salyer.
